HYPERGASTRINEMIA

Mail Stop Patent Application
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

**LETTER REQUESTING TRANSFER OF COMPUTER READABLE FORM
UNDER 37 CFR § 1.821(E)
AND
STATEMENT TO SUPPORT FILING AND SUBMISSION IN ACCORDANCE
WITH 37 CFR § 1.821 THROUGH § 1.825**

Sir:

In accordance with 37 CFR § 1.821 (e), please use the last-filed computer readable form of the Sequence Listing filed in US Patent Application No. 09/700,329, on February 8, 2001 and resubmitted on April 25, 2002 as the computer readable form for the instant application. The computer readable form of the Sequence Listing in US Patent Application 09/700,329 was in full compliance with all of the requirements under 37 CFR § 1.821 (e).

Express Mail No. EU531570686US

I hereby state, in accordance with the requirements of 37 CFR § 1.821(f) and to the best of my knowledge and belief, the paper copy of the Sequence Listing in the above-identified patent application, filed herewith, is identical to the computer readable copy of the Sequence Listing filed in US Patent Application No. 09/700,329, filed on February 8, 2001 and resubmitted on April 25, 2002. No new matter has been added.

It is understood that the US Patent and Trademark Office will make the necessary change in application number and filing date for the instant application. A paper copy of the Sequence Listing is included in the specification of the instant application.

The Director is hereby authorized to charge any deficiency in any fees due with the filing of this paper or credit any overpayment in any fees to our Deposit Account Number 08-3040.

Respectfully submitted,

HOWSON AND HOWSON
